

HOW TO COMMENT AND NEXT STEPS

- The information provided at this event can also be viewed at and downloaded from <https://orbex.space/spaceport>.
- If you have any comments on the proposals, then please complete the feedback form.

That can be done:

- at the event;
 - by posting or emailing a completed form to Aurora Planning Limited (contact details are on the form); or
 - by completing the on-line form at <https://orbex.space/spaceport>.
- All feedback received will be reviewed and considered prior to finalising the proposals for the submission of a planning application.
 - It is important to note that any comments made at this time are not representations to The Highland Council and would not be considered as part of a future planning application.
 - On 18 January 2024, we will carry out another consultation event to share feedback received and how we have responded to that. There will be another opportunity to make comments at that stage.
 - Once the planning application has been submitted to The Highland Council, there will be an opportunity to make representations on that application to The Council at that time.
